Het Katertje

Onze liefhebbers kopen regelmatig een beperkte selectie unieke speciaalbieren in. Het Katertje bestaat uit 3 speciaalbieren, vraag de bediening naar de actuele bieren. Op = op. **12**

| COCKTAILS

Cocktail don't solve any problems... but then again, neither does milk.

|                                                                                              |     |
|----------------------------------------------------------------------------------------------|-----|

| THE PEAKY BLINDERS

Carefully selected gins with suitable tonics and mixers and fitting garnishes. London Essence, because Birmingham Essence doesn't exist. Nice drinks for your feed too. On Instagram. You know what to do. In the order of the Peaky f\*cking Blinders.

|                                                                                                                     |                                                                                                                |
